

HUTCHINSON GETS TWO YEARS IN PEN

FOR SHOOTING AT GILKERSON IN CRAB ORCHARD—OTH COURT NEWS.

On his third trial in Circuit Court Chris Hutchinson of Crab Orchard was given two years in the penitentiary for shooting at J. B. Gilkerson in 1907. At the previous trials the jury were unable to agree upon a verdict. A hard fight was made in defense of Hutchinson by Attorney Florence and Hansford but the jury believed there was convincing proof of but short time in arriving at a verdict of the testimony and argument on Saturday.

Mr. and Mrs. R. G. Hampton, of Lebanon Junction spent several days with the homefolks here last week. Attorney Robert Harding, of Danville was here last week attending court.

In the case of the Commonwealth against George W. Statum of the Shelby City section, charged with stealing a hog from the Shelby jury was unable to agree last week and was discharged. The panel stood eight to four for acquittal. Statum was represented by Attorneys John W. Hawkins and K. S. Alcorn.

On Monday W. S. Denham was excused from the service as a grand juror on the ground that he is not a house keeper. This fact invalidated all of the acts of the grand jury, and it will have to do all its work over again. Squire W. A. Coffey, of the McKinney section, was chosen a grand juror to fill the vacancy.

The well known case of John Baugh against his father, Doc Baugh for possession of eight horses, was finally brought to a finish at this term of court, when a jury on Friday last adjudged that the equines were legally the property of the son. Young Baugh was represented by Attorney Geo. D. Florence in the case. This was the second trial, a hung jury being the result after the hearing in the first.

Young Baugh showed how he came in possession of the horses, starting with 2 shots very ago, which he traded for a broodmare. He worked hard and earned seasons and gained some of the horses and traded for others until he had accumulated the eight, which he valued at \$1,000.

Middleburg.

Brian and Lewis Bros., gave a musical performance here Saturday that was fairly well patronized. They gave two performances at Yosemite last week.

We noticed in your McKinney letter last week that J. L. Howland was thinking of taking a course in stenography. It seems to us that John would prefer to take a course in matrimony.

N. W. Hughes of Hartman Team, is here visiting the family of A. H. Royal married a Miss Moore near Maywood Lincoln county.

Billy Williams is always poking fun at us Casey people as for the "G", of us, we cannot see why. We are the best people in the world. It is true we have some mud holes but like the people they are first class. The fact is we never do things by halves even when it comes to making mud holes.

It is understood that J. W. Fair has declined to make the race for the republican nomination for sheriff and J. T. Taylor of Middlesboro has accepted himself for that office with Geo. W. Dye postmaster here as his deputy.

Mr. Thomas Branson of Yosemite thought of making the race and would have made it warm for some body. He had entered the race, but he decided to remain out and returned to Hick stamps for Earl, Sam.

Messrs. Abe Newton and Howard Manning of Hindonville spent several days of last week at tholeen Dawn Springs at Yosemite.

GOOD MEN AT HEAD OF THE HENRI CLAY

(J. W. Walton, in Lexington Herald.) Among the stockholders of the Henry Clay Fire Insurance Company who attended the meeting here yesterday from Franklin were Col. Charles E. Thompson, Bill Starnes, Captain Ed. Farver. Both are men of the high standing for honor and integrity, and their word is as good as anybody's bond. Their acquaintance with Capt. Farver dates only back to his inauguration as State official, but we have known of this for a long time as a citizen of the highest standing. Though both of us dislike to admit that we are ever old, the fact never leaves our minds that we have known the high for forty years, beginning when he lived in Staunton, Va., and we in Richmond. We can vouch for his staidest integrity and utmost good faith in every word and action. At present he is president of the State National Bank and the large Montgomery Shoe Manufacturing. He has never been associated with anything that did not prove a success, and his name is a tower of strength to any institution. The Henry Clay Company was fortunate in securing him as well as Captain Farver and Auditor F. P. James, a farmer and capitalist, and their word backed by those qualifications should make their word go a long way with the disbelievers. With such men the concern is sure of a long and successful career.

BOTH ARE GOOD ENOUGH

In a speech at Washington last week the new democratic speaker Champ Clark declared that the recent activity of laymen in religious affairs had done much good, and that more good was expected from this cooperation of the laity with the clergy. He declared that President Taft, Col. Roosevelt and William Jennings Bryan were qualified to go into the pulpit and preach sermons. He would not be surprised, he said, if Col. Roosevelt or Mr. Bryan ended as preachers.

The editor of the Hickman Courier will doubtless be killed. Reporting a wedding in last issue of his paper, he said: "While the ceremony was being said, Miss Bettie DeLong rendered the 'Hymn' in a manner that made it harmonize with the words of the ceremony."—Danville Messenger. After they've gone to housekeeping, the bony bride will have to render the "four song," and the meat, milk, butter and coal "song," too in harmony with the husband's income, and this will be the far more important rendition of the two harmonies.

Y. M. C. A. ORGANIZED AT HIGH SCHOOL

ELOCUTIONARY CONTEST TO BE HELD MARCH 10—OTHER SCHOOL NOTES

(By John M. Waters.) A Young Men's Christian Association was organized Thursday afternoon in the consultation room of the State Bank & Trust Co., by Mr. E. R. Woosley, a state secretary of the Y. M. C. A. The charter members were the young men of the high school and all showed great enthusiasm over the new work.

The meeting was called to order by Mr. Woosley who then gave a short talk, explaining the work, rules etc., of the association with Wallace Singleton temporary chairman. The following officers were elected: Morrison Bright president, Wallace Singleton vice president, John M. Waters secretary, Lester O'Hannon treasurer. Messrs. J. C. McClary, J. W. Ireland, T. W. Pennington and T. J. Tancay were appointed by the president as an advisory committee.

Student associations of the high schools of the state are being organized throughout the state and great good is being done by them. It is fundamentally a religious association, and if the Christian people of the town will help the movement onward, the young men of the town will be greatly benefited, both spiritually and mentally and physically some of the members of the town could greatly help the association of the present by loaning the members the use of their offices or room for a few nights, or a more suitable room can be found.

The next meeting will be held Friday evening March 3rd. All the pupils seven in number, of the graded department of this school successfully passed the recent county examination for entrance into the high school. There are now 22 pupils instead of 14 as previously stated in the high school, who are admitted free under the county high school bill.

The proceeds of the elocutionary contest to be held in Walton's Opera House March 10th, will be used to help defray the expenses of the contestants from that school who enter the tournament at Springfield, May 15. If you are interested in the school attend the contest and encourage the pupils. An excellent program has been arranged and three hours of entertainment is guaranteed to those who attend.

The high school boys have many times displayed their skill in athletics and scholarship and will on that night show their powers of oratory as well. Much rivalry is being drawn between the classes to put up the winner of speakers but Morrison Bright and Harris Coleman are easily the favorites.

Don't forget the date, Friday March 10, 1911. Make your preparation now to attend and encourage this department of school work.

The pupils of Misses Jackson and Ballou entertained a number of the patrons of the school Thursday afternoon in the school chapel with an excellent program consisting of readings and musical numbers. Among the interesting topics of the program were the musical numbers of Harry Reinhart and Miss Kate Newman, and the readings of Harris Coleman, Mary K. Dugan and Mrs. J. W. Ireland. Manager Ireland of the S. H. S. ball team received a challenge yesterday from the Lindsey-Wilcox Training School base ball club at Columbia, Ky. for a series of games. As the team intends to make a tour of that part of the state, the challenge will probably be accepted.

BIG FIRE AT WILMORE. Fire which broke out about 2 o'clock Sunday afternoon at Wilmore in Jessamine county destroyed property valued at between \$60,000 and \$75,000. The fire started in the livery stable of William Grimes, on the south side of Main street, and this was burned to the ground. The wind carried the flames across the street and ignited a carriage shop and undertaking establishment, the pro-coffee, the Patterson hotel, McTearney's drug store, a furniture store, barber shop, meat market and pool room. Four horses and a mule were burned in livery stable. Six families who lived in flats over the carriage shop, lost most of their household goods.

Hawkins Caught

SHERIFF LANDS THIRD NEGRO HIGHWAYMAN IN "NEGRO HEAVEN."

Through a piece of splendid detective work Sheriff W. L. McClary landed in jail in Indianapolis Saturday "Bud" Hawkins, the third negro charged with assaulting and robbing the three white tobacco men on the Danville pike a few weeks ago. Hawkins refused to return to Kentucky without requisition papers, so the sheriff came back, and will go to Frankfort today to get the necessary papers from the Governor, and then go on to Indianapolis after his man.

Hawkins who away from Danville immediately after the crime was caught through a decoy letter. Sheriff McClary was assisted there by Hoosier detectives, and ransacked all of the negro underworld of Indianapolis which is called "negro heaven." He had nothing more than a good description of Hawkins to go on, but was successful and the negro admitted his identity. He will be brought back and lodged in jail here. Deputies of the Q. & C. assisted in locating the negro.

Governor Beckham

A DECIDED SUCCESS ON CHAUTAUQUA PLATFORM.

(Frankfort News-Journal.) The friends of former Governor Beckham, who thought he had gone to the Southland for rest and pleasure, will be pleasantly surprised to learn that he has mounted the stump, not political but Chautauqua and that he is pronounced a success as such an orator by competent critics.

The Lakeland, Florida, News tells of the holding of the First Chautauqua Assembly of Lakeland, and adds: "On Monday evening and Tuesday afternoon people were well pleased with the masterful English, scholarly diction and style of ex-Gov. J. C. W. Beckham. His platform presence is easy, his manner pleasing, and his little back of it a fitting background for the words he utters."

The same newspaper contains the following notice: "A distinguished visitor to Lakeland this week was Hon. J. C. W. Beckham former governor of Kentucky, who as a young and comparatively inexperienced man, had taken himself at the head of a great State's affairs, which the assassination of Goebel had left in a chaotic condition. He proved equal to the emergency and made one of the best Governors Kentucky has ever known."

Mr. Beckham delivered two splendid addresses from the Chautauqua platform. He was accompanied by Mrs. Beckham and their two handsome children. Governor Beckham's subjects are "Idols and Idol Breakers" and "The Struggle for the Ideal Republic." He will deliver his lecture at three other Chautauqua meetings while he is in Florida. He will speak at Tallahassee Orlando and St. Petersburg.

South Lincoln Boys

MAKE GOOD IN RAILROADING A LETTER BACK HOME.

Lexington, Ky., Feb. 6 Editor Interior Journal:—

About the best time I have had since leaving Lincoln county in 1892 I spent at the home of my father-in-law and mother-in-law, C. W. and Martha Ann Cummins of near Kingsville at the reunion of the Cummins family given in honor of W. T. Cummins of Burnett Texas who had been absent for 23 years. It was certainly a pleasure to the old folks, when the entire family except one sat down once more around the old fire-place, each one telling of something which happened in his younger days. These boys were raised in the mountains and all four hold important positions in four different states. W. T. Cummins owning a large stock ranch in Burque Texas, J. A. Cummins being engineer for a tannery factory in New Albany Indiana, Asher Cummins machinist for the American hands factory in Louisville, S. A. Cummins is foreman with the Peck Williamson, Co. Cincinnati, O. The two girls are also professionals in their line of business. Mrs. Una Greybeal as a chicken raiser and my wife can heat up a cooking stove and furnish a man with as much good eating as anybody can stir up.

When I hear the people talk so much down here about the "cellar bills" I can't help but think more of them than I ever did. It is not usually known but that part of Lincoln county, from Embanks to McKinnay furnishes more men on the Q. & C. railway than any other county on the entire line. They are in every department, engineers, conductors, brakemen, operators, ticket agents, carpenters, brickmasons, painters, electricians and signal men. W. D. Murphy of King's Mountain foreman of the signal system and nearly every signal inspector from Somerset to Cincinnati are young men from Lincoln county.

While this is a pleasure to think of there is one sad feature, there are five of the same men, two engineers, one fireman, one section foreman and one laboring man who have met with accidents and are lying peacefully in the little cemeteries around King's Mountain. Truly sons. C. L. RACH

TWO MORE DEMOCRATS TALK OF RUNNING

T. A. RICE FOR COUNTY JUDGSHIP WHILE J. F. HOLDAM WANTS SHERIFFALTY.

Politics was buzzing with a big B here Saturday. There was talk of new entries in several of the races for democratic nomination next time and talk of others.

Tom A. Rice, one of the best known farmers of this county, was telling his friends that he will be a candidate for democratic nomination next time County Judge, and J. F. Holdam, of Crab Orchard, formerly Circuit Clerk, was letting it be known that he intends to make the race for Sheriff. Both men say that they will make aggressive campaigns and are in their respective races until the bell rings. Meanwhile, Rowan Snafley, son of the late Judge M. C. Snafley, is making an aggressive campaign for the nomination for the County Judgeship also, and is receiving much encouragement from all sections in the county. From present indications the race for this office will be almost, if not as interesting as the sheriff's race, which is usually the warmest in Lincoln.

CLAUDE ROWLAND
Died February 3, 1911.
Allas, the family circle is now rent in twain. The golden cord is broken. One link from the chain is gone and we will miss the dear child, so dear. No more will thy voice our sad hearts cheer. But in the eternal city where the angels cast their crowns, we feel that thou art safe at last upon that heavenly shore, where sickness and sorrow and parting are no more, safe from the storms of life and all world's care. Blessed Jesus grant at least that we may meet Claude there. His mother, Bettie Rowland.

DEMOCRATIC TICKET.
For Circuit Judge.
HON. CHARLES A. HARDIN,
of Mercer County

The best way to find out about a man is to go to his home town where he is best known. Most of us think we know Commonwealth's Attorney Charles A. Hardin pretty well, and have had full confidence that the democrats of this judicial district acted wisely and well in making him their nominee for Circuit Judge. But just to clinch this good opinion of Judge-to-be Hardin, here's what the Harrodsburg Herald says of him, in this connection.

We congratulate our fellow townsman upon his selection as standard bearer for the party and felicitate the party because it has chosen a high grade man to represent it in this campaign. The selection is in line with the better things which we hope are in store for the party and Commonwealth, the things which seem to be coming for other states, where public servants are chosen for law enforcement, for good order, for the whole people, and not in the interest of the lawless or any particular class of law-breakers. The people of this district know Mr. Hardin and have learned to value him by his work, and they know also that the excellent record made by him as Commonwealth's Attorney will characterize his work as judge and render him more than acceptable to his constituency or to that portion of it, or least, that loves justice and high integrity.

The Democratic State Executive Committee should, at its meeting March 2nd, call a convention to formulate a platform upon which the nominee of the party can go before the people in November. Let the convention be held before the nominating primary on May 27th. These candidates who do not endorse the plank of the platform can step aside and let men who will carry out the party's policies have its support.

Woodrow Wilson, Governor of New Jersey, is growing faster than any man in the United States today. He is proving himself a statesman of the broadest calibre and has shown a grasp of political strategy which is both amazing and commanding all who thought he would prove a pliant tool at the prime. Looks like the Ex-Congress President is going to be the democrat's strongest card for a more exalted presidency.

Louis L. Walker is making a splendid circuit judge, and looks bigger in the republican party every day. Democrats like him so well that they all hope he will have the sagacity not to offer for the judgeship at the November election.

ANOTHER JOHNSON PAPER IN LINE

The News believes that Senator McCreary is the man for the democratic party to nominate for governor. He is able, clean and popular with the people of all classes throughout the state. He has had long and varied experience in public affairs including a dozen terms in congress, one as governor and one as United States Senator, and is as active as most men at fifty. He is a statesman and gentleman, a faithful, unflinching democrat of the loftiest character and integrity and this is known of all men. He stands for everything for which his party stands for and would if elected make an ideal governor. The News was heartily for Mr. Johnson for personal reasons, but he having withdrawn we are just as warmly for the Richmond man and shall do what we can to bring about his nomination and election. A large number of Mr. Johnson's friends are doing all they can to induce someone else to announce for the chief executiveship, but we do not agree with them—we believe McCreary is to be right man and we shall continue to advocate his nomination and election no matter whom the republicans may nominate. —Bowling Green News.

LOST APPETITE AND HOPE

Neglected Cold Caused Complication, Promptly Restored by Peruna.

Mrs. Rosa Boyer.

"I thank Peruna for new life and strength. I send you two pictures, so you can see what Peruna has done for me."

Mrs. Rosa Boyer, 1421 Sherman Ave., Evanston, Ill., writes: "If any one has reason to praise Peruna it is surely myself."

"Last spring I became so run down from the effects of a lingering cold, that several complications united in pulling me down. I could neither eat nor sleep well, and lost flesh and spirit."

"I finally tried Peruna and it did wonders for me. In two weeks I was like another person, and in a month I felt better than I ever had before."

"I thank Peruna for new life and strength. I send you two pictures, so you can see what Peruna has done for me."

Attention Poultry Raisers

Sick Fowls Don't Pay, Droopy Hens Won't Lay.

WHY LOSE YOUR FOWLS? Why take chances against disease? A few drops of Bourbon Poultry Cure, in the water, keeps fowls strong, vigorous and thrifty, protects them against disease and puts them in prime condition for egg laying. It is the only remedy that can be depended upon to cure roup, cholera and Gapes simply because it destroys the germs that cause these diseases. One 50 cent bottle makes 12 gallons of medicine. Every poultry raiser should keep a bottle of this medicine on hand.

OUR BOOKLET ON "DISEASE OF FOWLS CAUSE, CURE AND TREATMENT" IS FREE. ASK FOR IT.

Please send me by express two quarts of Bourbon Poultry Cure. No one who is an up-to-date poultry raiser can afford to be without this valuable medicine. It does all you claim and more. I take pleasure in recommending it as the best poultry remedy I ever saw. It is working like magic in this county. My friends who are using it say they never saw anything like it. People call me over the phone and say, "My sick, what must I do?" I tell them to use Bourbon Poultry Cure, and in a few days they call me and say their birds are sound and well. I have a great many B. P. Rock chickens and 125 of the finest M. B. turkeys in the state. I use this remedy and never have a sick fowl. It gives them strength and vitality and makes their plumage bright and glossy. See my exhibit at the next state fair.—Mrs. J. D. Cox, Lawrenceburg, Ky.

NOTE—Mrs. Cox was awarded first prize to the best gobbler, at Kentucky State Fair and first prize for best hen at Blue Grass Poultry Show.

Every year I have been losing from 75 to 100 chickens from gapes, and I had about concluded not to try raising any more. I got a bottle of Bourbon Poultry Cure, and used it according to directions, only a little more freely, as mine was a case of years of infection. Now I have 200 chicks, all thrifty and growing nicely, and not a "gapey" one, among them, in spite of the fact that they have free access to a big wood yard, which is a breeding place for the pests.—Mrs. Jennie B. Stevens, Lynchburg, Va.

We have hundreds of testimonials like these, in our circulars and booklets. The remedy does the work, or these prominent poultry raisers wouldn't say so. They wouldn't buy it and then tell about it if it failed. Try and see for yourself what it will do for your fowls.

OTTUMWA WOMAN CURED

By Lydia E. Pinkham's Vegetable Compound

Ottumwa, Iowa.—"For years I was almost a constant sufferer from female trouble. In all its dreadful forms; shooting pains all over my body, sick headache, apical weakness, dizziness, depression, and everything that was horrible. I tried many doctors in different parts of the United States, but Lydia E. Pinkham's Vegetable Compound has done more for me than all the doctors. I feel it my duty to tell you these facts. My heart is full of gratitude to you for my cure."—Mrs. HARRIET E. WAMPLER, 524 S. Ransom Street, Ottumwa, Iowa.

Consider This Advice.
No woman should submit to a surgical operation, which may mean death, until she has given Lydia E. Pinkham's Vegetable Compound a fair trial.

This famous medicine, made only from roots and herbs, has for thirty years proved to be the most valuable tonic and invigorator of the female organism. Women residing in almost every city and town in the United States bear willing testimony to the wonderful virtue of Lydia E. Pinkham's Vegetable Compound.

Mrs. Pinkham, at Lynn, Mass., invites all sick women to write her for advice. Her advice is free, confidential, and always helpful.

Mr. Robertson and Mrs. Nelson entertained the guests in charming manner. In the dining room were tables among them being old, rare china and silver, sword, newspapers, embroidery, Masonic aprons and bands. Many guests were present who complimented the daughters and enjoyed the quiet songs by Mrs. Smith reading by Miss Kreiger and a couple of Mrs. Hay. Coffee, cake and sandwiches were served and Mrs. Scott, Mrs. Alcock and Mrs. William Perry presided at the tables.—Lancaster Messenger.

HEROIC ACT OF A SIX YEAR OLD CHILD.

Glasgow, Ky., Feb. 24
The heroism and courage displayed by little, six year old Charley Robertson, of near Gradyville, in Adair county, this week, in trying to rescue his little eight-year-old brother from a mad ram about to win for him a Carnegie medal.
While at play Alton Robertson was attacked and knocked down by a mad sheep. Each time the child would rise to his feet the sheep would butt him down. His little six year old brother noticing the battle ran to his rescue and stabbed the sheep with a harrow. The animal made a mad rush for the little boy, knocking him down. His screams attracted the attention of 12 year old brother a considerable distance away, who secured an ax, and after dealing the animal several stunning blows over the head and severed the head from the body. Alton was carried home, seemingly dead, but after heroic work by physicians he child was revived and if not internally injured will recover. The little six-year-old hero was painfully but not seriously hurt.
